3. Discounts

- When concluding contracts with the Customer for the provision of paid educational services for the second and subsequent children who are consanguineous (blood) relatives and/or half-brothers and/or sisters, the Student in respect of whom there is a valid contract for the provision of paid educational services by the School, the youngest child(ren) is provided a 5% discount on the cost of core educational services at the Customer's request. In this case, the consanguineous (blood) relationship and/or step relationship must be confirmed by relevant primary documents.

In the event of expiration and/or termination of the Contract, the conditions given in Part 1 of this clause do not apply to subsequent months of study at the School after the expiration and/or termination of the Contract automatically, and an additional agreement is required.

The discount mentioned in paragraph 1 of this section does not apply to a Customer's child who has already been granted other preferential conditions/discounts.

4. Other Terms

- The Registration fee for studying at the School is non-refundable.

5. The above prices apply to the 2025-2026 Academic Year for the Ashgabat campus and are valid until 19.06.2026.
