

INVENTO THE UZBEK INTERNATIONAL SCHOOL REFERRAL PROGRAM FOR 2022/2023 ACADEMIC YEAR

We do appreciate full support and cooperation with families in growing our school community. By referring to our school, families have the possibility to show belief and trust in our programme as well as in our educators.

To show our gratitude and appreciation, for each new student enrolled to our school by family referral, we are willing to offer the following benefits for children of those families:

- For **one** new student enrolled: free 3-months catering of referring student
- For **second** new student enrolled: free catering of referring student for subsequent 3 months
- For **third** new student enrolled: free catering of referring student till the end of current Academic Year

Further rewards for enrollment of four and more new students as per recommendation of existing families of IUIS is subject for individual agreements between school and referring families.

The Present Referral program is not applicable to siblings.

This Referral Program is valid between 01-May-2022 - 31-Mar-2023.

Rewards will be settled through Variation Agreements to your Contract.

We are looking forward to your continued support and collaboration in growing our school.
